## New Home Tools

Time Reset Hair care can help reverse the dual aging processes of chronological and hormonal changes in hair texture, diminished density, increased dryness, surface dullness, fragility, and gray hair. Just one in-salon Time Reset Treatment with Intra-Cylane can make a difference that lasts 10 shampoos. Follow up with home care T. R. shampoo, conditioner, Youth Revitalizer, and Corrective Defense for 4 weeks until your next salon visit and see the benefits of up to 94% improved manageability. The vital 5 complex of intra-cylane, peptides and ceramide, green tea, camellia oil, and cationic uv filters are test proven to combat the signs of aging hair

Wax Blast is a high impact finishing spray wax. **Yes a spray wax!** It's lightweight, fine mist application is ideal for all hair types and lengths. Microwax Technology provides the finish of a wax with the convenience and lightness of a spray. Adds body and a dimensional choppy, matte finish. Innovative aerosol wax provides the finish of a wax with the convenience and lightness of a spray. Grab your hairdryer and have a BLAST !
